**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER C.F.R. § 1.181(a)**

MAIL STOP PETITIONS
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Assignee is in receipt of a Notice of Abandonment mailed September 28, 2006 which states that the reason for abandonment is "Applicant's failure to timely file corrected drawings as required by, and within the three-month period set in, the Notice of Allowability (PTO-37)." This Notice of Abandonment was issued in error and therefore it is respectfully requested that the Notice be withdrawn and prosecution commenced with issuance of the patent. The issue fee was paid in this case on August 14, 2006, a copy of the issue fee transmittal is attached. The attached PAIR report notes receipt of the issue fee transmittal.

The Notice of Draftsperson's Patent Drawing Review, mailed with the Notice of Allowability, indicates that the drawings filed on July 2, 2001 are objected to because Fig. 6G is not free of erasures, alterations, overwritings, interlineations, folds, or copy machine marks, and the numbers and reference characters of Fig. 6G are not legible. However, on June 28, 2001, both an annotated drawing sheet and a replacement drawing sheet for Fig. 6G were timely submitted. The replacement drawing sheet is in compliance with 37 C.F.R. §§ 1.84 & 1.152.

Enclosed herewith is a copy of the June 28, 2001 filing attaching the annotated drawing sheet and replacement drawing sheet. Also enclosed is a PAIR printout of the file transaction history clearly showing that the Patent Office received the corrected drawing sheet for Fig. 6G. Therefore, the Assignee respectfully submits that the abandonment for

failure to submit corrected Fig. 6G in the Notice of Allowability was improperly issued. The Assignee requests that the Notice of Abandonment be withdrawn and that this patent application be returned to its pending status.

This petition is filed under 37 CFR §1.181(a) and thus Assignee believes that no fee is required. However, should any additional fees or petitions be required, please consider this a request therefor and authorization to charge Deposit Account No. 04-1415 as necessary.

If the Examiner should have any questions, please contact the undersigned attorney.

Dated: JAN. 13, 2009

Respectfully submitted,

Filing Date Granted

An application number and filing date have been accorded to this application. The item(s) indicated below, however, are missing. Applicant is given **TWO MONTHS** from the date of this Notice within which to file all required items and pay any fees required below to avoid abandonment. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a).

- The statutory basic filing fee is missing.
Applicant must submit \$ 710 to complete the basic filing fee and/or file a small entity statement claiming such status (37 CFR 1.27).
- The oath or declaration is missing.
A properly signed oath or declaration in compliance with 37 CFR 1.63, identifying the application by the above Application Number and Filing Date, is required.
- To avoid abandonment, a late filing fee or oath or declaration surcharge as set forth in 37 CFR 1.16(e) of \$130 for a non-small entity, must be submitted with the missing items identified in this letter.
- The balance due by applicant is \$ 840.

The following item(s) appear to have been omitted from the application:

- Figure(s) 6G described in the specification.

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit must be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h))) requesting the later filing date must be filed within **TWO MONTHS** of the date of this Notice.

III. The failure to file a petition (and petition fee) under the above options (I) or (II) within **TWO MONTHS** of the date of this Notice (37 CFR 1.181(f)) will be treated as a constructive acceptance by the applicant of the application as deposited in the USPTO. **THIS TWO MONTH PERIOD IS NOT EXTENDABLE UNDER 37 CFR 1.136(a) or (b).** In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (*i.e.*, the original disclosure of the invention) will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabelled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.
